

# MODERN ELECTROMECHS

refurbishing plumbing & sanitation to its new era

# WORK PROFILE

**ABOUT US**

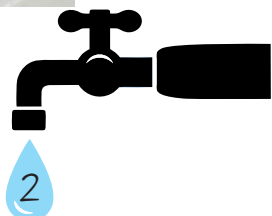

**Modern Electromechs (MEM) is South India's pre-eminent modern plumping and Irrigation Company involved in mechanical erection of Plumbing/ sanitation and irrigation systems. Our skills lie in erection, commissioning, and maintenance of plumping systems for prestigious projects of reputed companies including parks, Hotels, Hospitals, Medical colleges, Apartments, Resorts, colleges etc .**

**With over 15 years of project experience under our belt, we have grown from being a firm working in a single site at the start to a sizeable 250 people organization with more than 20 sites spread across South India.**

**Today we are one of the leading companies in South India working in this particular industry and a preferred Plumbing/ sanitation and irrigation systems contractor for the big names of projects in South India including, Rajagiri Health Care & Educational Institution , IBNI SPA RESORT, JoyAlukkas Gold Tower , MVR cancer centre , KIMS hospitals , Heera Lake house , Nest world Villas & Marsleeva hospital etc.,MEM has achieved consistent and strong growth, both in terms of number of projects in hand and financial figures. This progress can be attributed entirely to our team of dedicated, skilled, and experienced personnel and the vision and drive of our directors and top management.**

Hydro Pneumatic Pumps
